Greetings from campus!

Summer's end is fast approaching, and you may be feeling a bit of the "end-of-summer blues." I have just the remedy to extend the summer fun with HOT discounts and other benefits that Peace College alumnae receive as members of the Alumnae Association. Below you'll find a link to a comprehensive listing of benefits including discounts for car rentals, Broadway Series South performances, Liberty Mutual Auto, Home, Life and Renters Insurance, and even access to the Hermann Student Center Pool, just to name a few!

With the new academic year beginning in a few short weeks, I invite you to refer prospective students to Peace. The admissions office door is always open for campus tours and interviews. Consider bringing a prospective student to one of the many Admissions Open Houses set for the fall and spring. Help Peace Meet the Kresge Challenge

In December '08, the Kresge Foundation of Troy, Michigan, challenged Peace College to raise \$700,000 by December 31, 2009, in support of the renovation and expansion of the Lucy Cooper Finch Library (c 1969). When completed, the Foundation will provide a matching \$350,000 grant. **YOU** can help Peace meet the challenge by making a gift to the Library challenge today. Any gift size counts in the challenge, and several naming opportunities still exist - from naming a student pod in the Learning Commons for \$10,000 to naming the entire Commons for \$1,000,000.

The purpose of the renovation and expansion is to do more than update an aging campus structure; we aim to create an environment that promotes teamwork, provides quiet spaces for research and study, and collaborative learning spaces for preparing reports and presentations. The new Library was designed to have a lot of these group study spaces and a high-tech media classroom, along with a coffee bar and lounge. It will also house the College's tutoring programs and campus archives.

To see **construction progress**, visit the Peace website by clicking [here](#). To make a **gift to the Kresge Challenge**, call the Office of Development at 919-508-2362 or make your secure gift online [here](#).

Degree Completion Program

Return to campus and earn your degree in **Human Services** or **Business / Leadership** - both areas that can lead to a variety of career options. Peace College will offer a Degree Completion program for adults **beginning in Fall 2009**. It is an intensive, accelerated evening program designed for adults who have some college credits.
